👤 ABOUT ME

- Date of Birth :- 17/12/1999
- NIC :- 993520454V
- Nationality :- Sri Lankan

👤 PROFILE

I am a highly motivated and dedicated Bachelor of Information Technology student at Saegis Campus with strong leadership and communication skills. I have a strong foundation in programming languages, web development, and database management, and I am committed to continuous learning and growth in this field. I am eager to pursue a career in software engineering and my focus is on becoming a full stack developer.
